Take a look at what people are saying...

about Dan Cooper.

- "Dan - I just wanted to say thanks for helping us out this morning and pass along how much we enjoyed working with you. It's always nice to know you can trust the people you work with, especially when it involves your money!"
  Pete and Ann, East Grand Rapids, MI

- "My husband and I were Dan's clients when we refinanced our home last fall. Dan provides outstanding customer service by staying in touch through the entire process. Dan answered all our questions, gave us several options, and worked very hard to find the refinance that was most advantageous for us. He even came to our house to close. I can't say enough great things about Dan. He has his customer's best interests at heart and it shows through the way he does business. If you're looking for a mortgage or want to refinance, Dan receives my highest recommendation!"
  Glenn and Jackie, Ada, MI

- "Dan, I want to thank you for all your diligence and hard work. It has truly been a pleasure working with you and I look forward to working with you again."
  Jerry and Judy, Ada, MI

- "Dan, I want to thank you for all your help in our last refinance. Your rates and costs were extremely competitive and you made the entire process quite simple. I would feel confident passing your name along to all my clients, friends and family."
  Jack and Jackie, Grand Rapids, MI
