Business Resource Lending. Let our expertise guide you.

Whether you are just getting started, or are already well established, Business Resource Loans from The Bank of Holland can help take your business to the next level of success. These loans take advantage of traditional government-sponsored lending programs to provide creative financing solutions for most any business's need.

Experienced Advisors

Our team has extensive government lending experience and will keep you well informed, guide you through the process and efficiently manage the paperwork.

Streamlined Loan Approvals

Our Preferred lender status with the Small Business Administration and our experience with U.S. Department of Agriculture allows for quick and simple loan approvals, most of which can be accomplished in-house. You'll spend less time filling out paperwork and more time developing your business. The Bank of Holland is an approved lender of:
